TWO MORE CHANGES IN TEMPE NORMAL FACULTY

Resignations of Miss Edith Turner and Miss Frances Short are Tended—Faculty Otherwise Complete

Two resignations have been received from members of the faculty of the board of trustees of the normal recently which take effect immediately, thus making it necessary to appoint two members, just when the board thought it had the faculty complete for the coming year's term. Resignations have been tendered by Miss Edith Turner, assistant to Prof. J. L. Felton in the English department and an extra teacher in the training school, and by Miss Frances E. Short, for several years preceptress of the young ladies' dormitories.

Miss Turner's resignation came somewhat as a surprise and likewise did the members of the board regret its necessary acceptance. Miss Turner came to the normal two years ago to fill the new position of assistant in English, created by the enlarged enrollment of the school and extra duties placed upon Prof. Felton in charge of that department. In favor of her work at the normal Miss Turner has decided to take up missionary work among the Indians of northern Arizona.

The vacancy in the faculty will be filled by Miss Blanche Tilshier, a recent graduate of the University of Kansas and at present a resident of that state.

The resignation of Miss Frances Short has been accepted by the board,

but as yet no appointment has been made to fill the vacancy. Miss Short has been with the normal two years, resigning her position at the close of the first year only to return three months later to resume her duties, at the special request of the board of regents and President A. J. Matthews. Aside from the changes mentioned, the normal faculty now stands complete for the term of 1914-15. In all five new teachers will be here this fall, four to fill vacancies and a fifth to fill the extra position created by the extra work in the young men's dormitory and on the athletic field.

TODAY'S OBSERVANCE.

Clerks in the local business houses hold a good deal in store for this afternoon, when they will celebrate for the first time, the Thursday afternoon holidays that are to be generally observed in Tempe during the remainder of the summer months. Some of the clerks have their program for the day already arranged, at any event, it is a safe bet that all will take advantage of the occasion and see what it really seems like not to be busy on a week-day afternoon. No doubt a good many will join the crowd of fans which is going to take in the Mesa-Tempe ball game on the Gem City diamond.

RETURNED TO DOUGLAS

Carl L. Smith left Tuesday for his home at Douglas. He arrived in Tempe the early part of June, joining the Mullen camping party which is now enjoying life on the banks of Oak Creek, near Flagstaff. Returning to the valley the early part of this week, Smith immediately started his trip home, astride his four cylinder Henderson motorcycle, which primarily brought him to the valley in extra good running time from his southern Arizona home.

A MUSICIAN PROPER NOW.

With a brand new \$150 horn in his possession who wouldn't be a musician

and who wouldn't join the First Regiment band if he had a chance to make a trip or two out of the valley to cooler climes? Alfred W. Christensen is the lucky fellow. He received his new E-flat base tuba from the H. N. White Musical Manufacturing Co., of Cleveland yesterday, and gave it an initial tryout at band practice last night. Christensen is one of the promoters with the local band, but in addition, he will henceforth be a regular with the military band of Phoenix.

CATTLE TO RANGE.

A. C. and Ben Roberts left yesterday morning with a charge of twenty thoroughbred Hereford cattle, for the Robbins range near Sunflower.

PICTURES TONIGHT.

Again the Pison troupe is behind the production of this evening's two-reel feature at the Goodwin amusements, "The Love of Men." Is the picture. Also included in the program are "The Trail of the Serpent" and "The Dice Game." The latter picture is a comedy.

HIS REGULAR VISIT.

F. L. Stuchel of the Arizona School of Music paid a business visit to the southside yesterday afternoon.

TWO MORE BOOTLEGGERS.

Two more bootleggers were taken into custody last evening by the local constabulary force. This time they are feminine, but if they are guilty, little difference will their sex likely make in the sentence levied by Judge Carr. Constable R. C. Estrada of the local precinct and special officer Sedara Quezada of Guadalupe, perfected the capture of the local option law offenders. Guadalupe, the Yaqui village five miles southwest of town, has been the principal place of business with the feminine Yaqui bootleggers.

ARIZONA IS THE PLACE

VROMAN-SANDERS

Miss Jessie Vroman, formerly employed at the Pressley News Stand, was united in marriage at 4:30 o'clock last Saturday in Venice, California, to Miney Sanders, the well-known cattleman and rancher living near Superior. The newlyweds are residing in Venice for a time where they are spending their honeymoon. They will return here some time during July. Mrs. Sanders was not a resident of Mesa for a great length of time but she made a great number of friends during her stay here. Mr. Sanders is most well and favorably known throughout this part of the state.

HAYDEN

The Pythian Sisters gave a most enjoyable dance at the Hutton hall last Saturday evening, which was one of the most successful events of the season in every respect. A small admission was charged and a neat sum realized for the benefit of the recently organized Pythian lodge. The festivities were opened by a grand march at 10 o'clock. The march was led by Mr. Fleming and Mrs. Murray and was one of the features of the evening. Delightful refreshments of ice cream and cake were served. The hall was generously donated by Mr. Hutton.

Mrs. Julius Bergman and son, of Clifton, are visiting friends in Winhelman.

Sheila Frank Haynes of Gila county was a visitor in Hayden and vicinity the early part of the week. Mr. and Mrs. R. F. McRae recently returned from an extended wedding tour and are now at home in the cottage of B. F. Blackman, temporarily, pending the completion of another cottage which they will occupy later.

The Winkelman ball team is to be reorganized and placed in the front ranks as a winning aggregation and for this purpose the management has been taken over by Ben Anderson. Our neighbors are to be congratulated on securing the services of Mr. Anderson in this capacity which insures fair and square sport of the highest order. The first game of the Winkelman boys under the new management has been arranged for next Friday afternoon at 5 o'clock when they will meet the Ray Consolidated team on the local diamond. A large gathering of fans should be on hand for the occasion.

M. J. Brooks, accompanied by Mrs. Brooks, motored to Phoenix Tuesday leaving here at an early hour. After a few days in the Salt River valley, Mrs. Brooks will proceed to San Francisco where she will visit friends for a short time before proceeding to Portland, Oregon, to visit her mother.
